Please join us for one of the above information sessions to learn more about how to earn college credits while still attending high school. If a student is unable to attend a session at their home high school, they may attend any of the other sessions.

Topics will include:

- Opportunities to earn college credit while still in high school
- Course options (dual credit classes, Accelerated Learning Center programs)
- Requirements, risks, and benefits of participating in CCP
- Application Procedures

Speakers will include:

- SWCSD Administrators and Principals
- High School Counselors
- Area College and University Representatives
